Man Found Dead in Apartment Detectives Seek Identified Suspect

On May 31, 2017 at approximately 2:45 a.m. LVMPD patrol officers were called to investigate a suspicious situation. A woman called the LVMPD Dispatch Center and reported a family member may have injured his roommate. Officers were able to meet with the caller and attempted to identify an address where the family member was reported to live.

The family member was identified as 25-year-old Zachary Drey, and the preliminary investigation indicated Drey lived at an apartment complex located in the 3800 block of South Maryland Parkway. Arriving officers found a partially opened door, announced their presence, and made entry to conduct a welfare check. The officers discovered an adult male inside of the apartment deceased from apparent stab wounds.

As of this release, Zachary Drey is not in custody. Drey is described as a white male who stands approximately 6 feet tall and weighs between 150-160 pounds. He has red hair and green eyes. Detectives are currently attempting to locate Zachary Drey, and a DMV photo accompanies this release.

Drey should be considered armed and dangerous, and anyone with any information on his whereabouts should not approach, but immediately call 911.

The identity of the victim, as well as the cause and manner of death, will be released by the Clark County Coroner's Office.

Anyone with any information about this incident is urged to contact the LVMPD Homicide Section by phone at 702-828-3521, or by email at homicide@lvmpd.com. To
